#### How we use and share your information

##### (a) Credit reference and Fraud prevention agencies

We may obtain information about you from credit reference agencies and Group records to check your credit status and identity. Application decisions may be taken based on solely automated checks of information from credit reference agencies and internal NatWest records. You have rights in relation to automated decision making. If you want to know more please see our full privacy notice.

The agencies will record our enquiries which may be seen by other companies who make their own credit enquiries. This may affect your ability to obtain credit elsewhere in the near future. We may use credit scoring.

While you have a relationship with us, we will continue to share information with credit reference agencies about how you manage your account including your account balance, the regularity of payments being made, credit limits and any arrears or default in making payments. This information will be made available to other organisations.

Your application will be assessed using credit reference agency records relating to anyone with whom you have a joint account or similar financial association. If this is a joint application and such a link does not already exist then one may be created now. These links will remain until you file a 'notice of disassociation' at the credit reference agencies.

However, for this application, you can choose to be treated as financially independent of any person, (except for another party to this application). If you do, by signing this application you declare that you believe your associate's finances will not affect our decision and agree that we may check your declaration. We may decline this application if we find that your declaration is inaccurate. If you want to be treated as financially independent for this application, please place a cross in this box.

If false or inaccurate information is provided and fraud is identified or suspected, details may be passed to fraud prevention agencies. We may also obtain information about you from fraud prevention agencies.

If we, or a fraud prevention agency, determine that you pose a fraud or money laundering risk, we may refuse to provide you with services, financing or employment.

When credit reference and fraud prevention agencies process your information, they do so on the basis that they have a legitimate interest in preventing fraud and money laundering in order to protect their business and to comply with laws that apply to them.

Further information about credit reference agencies, how they use personal information, and financial connections and how they may be ended, can be obtained from the credit reference agencies. The main agencies we use are Experian (www.experian.co.uk/crain), Equifax (www.equifax.co.uk/crain) and TransUnion (www.transunion.co.uk). We may use other agencies from time to time. For more information about the agencies we use, see Section 11 of our main privacy notice (Credit reference and fraud prevention agencies).

**(b) With other NatWest Group companies**

We and other NatWest Group companies worldwide will use the information you supply in this application (and any information we or other NatWest Group companies may already hold about you) in connection with processing your application and assess your suitability for our products.

If your application is declined we will normally keep your information for up to 6 years (or 10 years in Jersey), but we may keep it for longer if required by us or other NatWest Group companies in order to comply with legal and regulatory requirements.

We and other NatWest Group companies may use your information in order to improve the relevance of our products and marketing.

**(c) With other Third Parties**

The information provided in this application may be used for compliance with legal and regulatory screening requirements, including confirming your eligibility to hold a UK bank account and sanctions screening.

We may be required to disclose certain information to regulators, tax authorities, government bodies and similar organisations around the world, including the name, address, tax number, account number(s), total gross amount of interest paid or credited to the account and the balance or value of the account(s) of our customers.

## Debit card for Limited Companies and Limited Liability Partnerships (LLP) Mandate

### Resolution

**Debit card applications must be authorised by a Resolution of the Board of Directors of a Company or the Members of a Limited Liability Partnership.**

A meeting of the Board of Directors/Members of \_\_\_\_\_  
(insert name of company/LLP)

('the Customer') was held on \_\_\_\_\_  
(insert date)

At this meeting \_\_\_\_\_  
(insert name(s))

- NatWest International ('the Bank') should be asked to issue the number of cards (and any cards which renew, supplement or replace them) (each with a PIN number) detailed on the application form. The same person(s) may request changes in daily or weekly cash machines limits.
- The Non-Personal Terms provided by the Bank, a copy of which is available from the Bank on request.
- The debit card will have a cash withdrawal facility and debit card facility and can be used in accordance with the debit card Conditions of Use as:
  - A cash card to obtain cash from cash machines (both in the United Kingdom, Channel Islands, Isle of Man, Gibraltar and abroad) or concurrently with a debit card purchase as part of an overall transaction; and
  - A payment or debit card to pay for goods and services (in the United Kingdom, Channel Islands, Isle of Man, Gibraltar and abroad) both where a signature is required to give authority for a purchase and where payment for goods and services can be effected where a signature is not required eg ordering goods over the telephone or by mail order.
- When used as a payment or debit card, including debit card purchases combined with a concurrent cash withdrawal, the limit on the amount of funds which can be used will be the amount of available funds which may be in place on the account nominated on the debit card or application form. Available funds are the amount of cleared funds held on the nominated account and any agreed overdraft facility.
- When used to obtain cash from cash machines, the amount of cash available will be restricted to that particular card's agreed limit (in amount and time) or the available funds which ever is lower.
- Any account of the Customer for the time being may be debited as a result of card use. If card use results in an unarranged overdraft then the Customer nevertheless accepts liability for any such overdraft.
- It is accepted that any card can be used so as to order cheque books and statements and to obtain details of the balance on an account.
- This application is in addition to and does not affect the Customer's existing mandate to the Bank. The Bank may continue to rely upon this resolution until revoked in writing by a suitably authorised notice to the Bank.

**Debit card/Application Form should be signed by the person(s) named by this resolution and in accordance with the mandate operating the account.**

NatWest International is covered by the Gibraltar Deposit Guarantee Scheme ('GDGS'). The GDGS can pay compensation to depositors if a credit institution is unable to meet its financial obligations. Ordinarily, most depositors – including individuals, corporations and small businesses – can claim back up to EUR 100,000 of their deposits (or EUR 100,000 for each eligible account holder if it's a joint account). However, there are important exclusions which apply to certain depositors, which are set out on the website of the GDGS. For further information about the compensation provided by the GDGS refer to: [www.gdgs.gi](http://www.gdgs.gi)

Under the scheme(s) customers are entitled to make only one claim per licensed entity regardless of the number of brands or trading names contained within that licensed entity and customers are entitled to make one claim only per licensed entity in the jurisdiction where the deposits are held. Therefore as NatWest International brand is operated by RBS International it is not licensed in its own right. A person with a deposit in NatWest International and a deposit in RBS International would thus only be entitled to make one claim.
