# Mitek

The simple experience you want,  
without all the paperwork

# Supporting our customers with Mitek

Wherever you find yourself in the world, you'll always be able to find NatWest International. Your account is easily accessible via mobile, telephone or online banking and we believe that opening or amending your account should be too. With NatWest International's identity verification partner, Mitek, you will be able to make the changes you want from your smartphone, anywhere and at anytime.

## What is Mitek?

Mitek is a digital identification platform that verifies people using digital footprints, ID document authentication and facial biometrics. What does that mean for you? Mitek will ask you to take a selfie and pictures of your documents.

## Why use Mitek?

Mitek is a convenient and efficient method of verifying people no matter where they are in the world. As well as being safer, it can be done in a short space time, provided you have all the documentation you need. We're confident your account will now be opened or amended much quicker through the support of Mitek.

## Is Mitek safe to use?

Mitek is incredibly safe for you to use. It encrypts your connection to keep your data secure. Additionally, your details are permanently deleted from the Mitek platform when the bank receives the necessary information from you.

## When You Would Use Mitek

You will be sent a Mitek link to complete when:

- Opening a Savings Account
- Opening a Current Account
- Obtaining a Mortgage
- Carrying out account amendments

This would be applicable regardless of whether it is a sole or joint account.

## Tips before starting the process

- Ensure you have your proof of identity eg. passport or driving licence. The next page provides some of the typical documents we usually ask for but if you cannot provide them for whatever reason, please contact us to ask for more information.
- Ensure that all of your documents are in date or were created in the time scale specified.
- Give your smartphone camera a quick clean so that your selfie is clear and Mitek can easily verify you.
